

Maxus Genie User Interface

This optional add-on to Inmagic® Genie provides end-users with direct access to the Genie Catalogue, as well as functionality that is not provided in Genie itself.

The screenshot shows the 'User Menu' with the Inmagic Genie logo at the top left. On the left side, there is a vertical list of menu items: 'Borrow Items', 'Search the Catalogue', 'New Items in the Library', 'My Web Library', 'New Users - Register with the Library', and 'Contact the Library'. On the right side, there is a 'Menu Help' section with a lightbulb icon, containing instructions for each menu item: 'Click Borrow Items to log in with your Library ID and check out items.', 'Click Search the Catalogue for a Catalogue Search screen', 'Click New Items in the Library to see a list of all items added in the last 30 days', 'Click My Web Library to log in and view your own details, including items on loan.', and 'Click New Users - Register with the Library to set up your own Library Borrower record'.

Borrow Items

Users can log on through a secure screen that requires their Borrower ID **and** name to be entered.

They can then borrow items:

The screenshot shows the 'Borrower Login' screen with the Inmagic Genie logo at the top left. It features two input fields: 'Borrower Number' and 'Enter EITHER your First Name OR your Surname'. Below the fields are three buttons: 'Submit Query', 'Reset', and 'Back to User Menu'.

The screenshot shows the 'Lending' screen with the Inmagic Genie logo at the top left. It contains a table with the following data:

Barcode	Title	Due Date	Loan Period	Action
00198	Nine lives	6 June 2006	21 days	Cancel

Below the table, there is a 'Scan next item barcode:' field with an 'Add Item' button. At the bottom, there are 'Process Loans' and 'Cancel' buttons.

(Reserved items cannot be borrowed)

Search the Catalogue – Simple Search

Uses the Genie OPAC screen for searching, with the Genie InfoCart feature enabled for sending requests, etc.

There is a choice of the Simple Catalogue Search or an advanced search screen (see next page).

The screenshot shows the 'Simple Catalogue Search' screen with the Inmagic Genie logo at the top right. It features two search input fields: 'Any Word' and 'Record Type', both with 'AND' dropdown menus. There are 'Submit Query' and 'Reset' buttons. A 'Browse' button is also present. On the right side, there is a 'Search Tips' section with instructions on how to use search operators (& for AND, / for OR, ! for NOT, * for truncation, and : for ranges). At the bottom right, there is an 'Inmagic Genie' logo and a '0 item(s) in cart' indicator.

Search the Catalogue – Advanced Search

New Items in the Library

Clicking this link shows all items added to the library in the last month, with the InfoCart option available for users to mark and request items of interest.

My Web Library

Users can log in and edit their own details, view their loans, view items matching a selected subject profile or borrow items.

New User Registration

Allows users to register themselves as borrowers.

Contact the Library

Users can send an email to the Library.

Available only from Maxus Australia
